Safe Parking Proposal Letter

Dear Planning & Development Staff

On behalf of Peninsula Bible Church, and in partnership with MOVE Mountain View, I am applying to have unhoused residents living in four or fewer vehicles on our property's parking lot during the hours of 6pm to 8am with quiet hours of 10pm to 7am. A bathroom (toilet and handwashing sink) will be available to our vehicle residents during operating hours. Showers will be available Monday, Wednesday, and Friday mornings. In case of emergencies or complaints, please call MOVE Mountain View's Lot Monitor directly at (650) 935-1141.

It is our intention to fully comply with the Safe Parking provisions set forth in PAMC §18.42.160 and to work with our vehicle residents, neighbors, church members, City staff, and MOVE Mountain View Staff to ensure our initial 90 day trial period is successful to enable further renewals of our application.

Sincerely,

Rob Schulze
Pastor of Administration & Compassion
