

# VARIANCE SUBMITTAL REQUIREMENTS CHECKLIST

---

## PLANNING APPLICATION FORM

Items 1-5 completed

Property owner's original signature (copies are not acceptable)

Written authorization from Stanford University is required if the property is located on Stanford land

---

## PROJECT REQUEST LETTER – SEVEN (7) copies

Your project request letter should describe the Variance being sought and demonstrate that the following “findings” can be supported:

- 1) The granting of the application will not be detrimental or injurious to property or improvements in the vicinity, and will not be detrimental to the public health, safety, general welfare, or convenience.
- 2) The granting of the application is consistent with the Palo Alto Comprehensive Plan and the purposes of Title 18 (Zoning).
- 3) Because of special circumstances, including (but not limited to) size, shape, topography, location, or surroundings, the strict application of the requirements and regulations prescribed in Title 18 substantially deprives such property of privileges enjoyed by other property in the vicinity and in the same zoning district as the subject property. Special circumstances that are expressly excluded from consideration are:
  - A) The personal circumstances of the property owner
  - B) Any changes in the size or shape of the property made by the property owner or his predecessors in interest while the property was subject to the same zoning designation.
- 4) The granting of the application shall not affect substantial compliance with the regulations or constitute a grant of special privileges inconsistent with the limitations upon other properties in the vicinity and in the same zoning district as the subject property.

\* Additional findings are required for Variances for flag lots, refer to code section 18.76.303(d).
