POLICE APPLICANT DISQUALIFICATION POLICY

I. PURPOSE

The City and Police Department have a very strong commitment to equal employment opportunity and prohibitions against unfair employment practices under the Title VII (41 U.S. Code 2000e), the Americans With Disabilities Act (42 U.S. Code 12112), the State Unruh Civil Rights Act (Government Code Section 12940) and other applicable fair employment practices as outlined in the California Labor Code.

The dilemma facing the Department is one of developing a job-valid and nondiscriminatory set of policies which allow it to lawfully exclude persons who do not meet the City’s or State’s hiring standards. The Peace Officer Standards and Training Commissions of California and Nevada (P.O.S.T.) have developed a list of guidelines, identified as “15 Job Dimensions”, which are used as a professional standard in background investigations. Individual agencies set their own standards (within applicable law) to interpret these guidelines.

The following standards have been adopted by the Palo Alto Police Department as a prima facie disqualification for police officer applicants:

II. STANDARDS POLICY
