Dear Ms. Boyd:

Your Environmental Document has been approved per the National Environmental Policy Act (NEPA) for the above-referenced Federal-aid project. A copy of the NEPA Finding of No Significant Impact (FONSI) is attached for your project files, along with the project Environmental Commitment Record.

You may now proceed with final design activities and preparation of right of way documents as necessary. If Federal participation is anticipated for the right of way and utility relocation work, you must request and receive a separate authorization to Proceed" for right of way phase before proceeding with appraisals, right of way acquisition, and utility relocation work.
