

ATTACHMENT 'A'

This aerial site plan illustrates a comprehensive park improvement project. The plan is overlaid on a photograph of the park, showing existing structures and proposed changes. Key features include:

- Buildings and Structures:** LUCIE STERN COMMUNITY CENTER, GIRL SCOUT HOUSE, ZOO BUILDING, JUNIOR MUSEUM, POWER STATION, FIRE STATION, and a Pavilion/Tennis Storage Building.
- Recreational Areas:** Tennis courts, a large swimming pool with an expanded deck, bocce ball courts, and various play areas including a multi-use concrete bowl, open turf, and shaded group picnic areas.
- Landscaping and Pathways:** Improved ADA sidewalks, green screens, planting buffers, and a network of circulation pathways including a main 15-foot path and secondary entries.
- Infrastructure:** Parking lots with reconfigured spaces, bike racks, refuse bin enclosures, and shuttle stops.
- Art and Community:** Art locations, demonstration gardens, and social plaza spaces.

The plan also shows the park's location relative to surrounding streets: Hopkins Ave to the north, Embarcadero Rd to the south, Middlefield Road to the west, and Newell Rd to the east. A red outline highlights the pool building renovation area.

Left Side Labels:

- Secondary Entry
- Adult Exercise
- Older Children Play
- Shaded Tot Play
- Girl Scout Patio and Fire Pit
- ADA Improvements to Girl Scout House
- Group Picnic
- Bike Racks, typ.
- Girl Scout House Garage Access
- Refuse Bins Enclosure
- LUCIE STERN COMMUNITY CENTER
- ONE WAY ENTRY LANE
- ONE WAY EXIT LANE
- MIDDLEFIELD ROAD
- Enhanced Cross Walk
- Tabled Pedestrian Crossing
- Reconfigured Parking Per the JMZ Project
- Drop Off
- Main Entry and Plaza
- Art Location, typ.
- Park Restrooms

Top Center Labels:

- Improved ADA Sidewalk
- Green Screen at Tennis Fence
- Renovated Tennis Courts Shift West
- Additional Head-In Parking
- Secondary Entry
- Pavilion/Tennis Storage Building
- Specialty Paving Over Oak
- Shaded Group Picnic Area
- Planting Buffer
