

## **March 2022 Utilities and Community Announcements**

**Water Conservation is a way of life!** California is experiencing dry weather conditions, and everyone is being asked to conserve water. Visit [cityofpaloalto.org/water](http://cityofpaloalto.org/water) to read about current conditions and usage restrictions.

**The Citywide Yard Sale will be held again this year on June 4.** Have a yard sale and you'll not only clean out your closets (and your garage, attic, backyard, etc.), you'll earn extra cash, AND prevent waste! You provide the "stuff" and we'll do all the advertising! Look for sign up information in next month's bill inserts. For more information, visit [www.paloaltoonline.com/yardsale](http://www.paloaltoonline.com/yardsale) or call (650) 496-5910.

**Anytime it can rain, it can flood.** Don't get caught off guard. To learn more about flood safety tips visit [cityofpaloalto.org/storms](http://cityofpaloalto.org/storms).

**Spring is just around the corner!** As the seasons change, check out some of our seasonal DIY efficiency suggestions at [cityofpaloalto.org/efficiencytips](http://cityofpaloalto.org/efficiencytips), or get free efficiency assistance with trained professionals by visiting [cityofpaloalto.org/efficiencygenie](http://cityofpaloalto.org/efficiencygenie) or calling (650) 713-3411.

**Make safety a top priority!** Please call 811 before digging to have us mark your utility lines and avoid a dangerous and costly accident. Read more safety tips at [cityofpaloalto.org/safeutility](http://cityofpaloalto.org/safeutility) and contact us at [UtilitiesCommunications@cityofpaloalto.org](mailto:UtilitiesCommunications@cityofpaloalto.org) to request printed copies of our gas safety awareness brochure.
