

# GET WATER-WISE

Using water efficiently is important every day, regardless of drought or rain conditions.

## FREE WATER-WISE OUTDOOR SURVEY

Palo Alto residents can find more ways to save by scheduling a FREE outdoor survey with a trained irrigation professional

-  Comprehensive on-site evaluation of the efficiency of your irrigation system
-  Personalized irrigation schedule
-  Detailed report with recommended upgrades & repairs

This service is provided by Palo Alto's partner in water conservation, Valley Water.

Or leave a voice message at (408) 630-2000

More than  
**50%**  
of water use can go  
towards irrigation in  
the typical Palo  
Alto home

## MAKE WATER CONSERVATION A WAY OF LIFE

The City has numerous resources, rebates and services to help with your water efficiency goals. We want to ensure that everyone has the tools they need to lead a water-wise lifestyle. As drought conditions change over time, we will provide the most up-to-date information at [cityofpaloalto.org/water](http://cityofpaloalto.org/water).
