

We'll Take the Jar **HOLD THE MAYO**

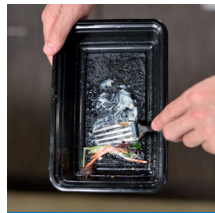

Empty containers only. No food or liquids.

While we love a good sandwich with all the toppings, food and liquid can ruin the recycling. Make sure you're recycle-ready: bottles and containers need to be empty of food and liquid, and paper needs to be clean and dry.

POUR
out liquids.

SCRAPE
out food.

WIPE
out oily or
sticky residue.

No need to rinse. Let's continue to conserve water!
