

RESIDENTIAL WASTEWATER COLLECTION AND DISPOSAL

UTILITY RATE SCHEDULE S-1

A. APPLICABILITY:

This schedule applies to each Occupied Domestic Dwelling unit.

B. TERRITORY:

This schedule applies everywhere the City of Palo Alto provides Wastewater Service.

C. RATES:

Per Month

Each Occupied Domestic Dwelling unit..... \$43.32

D. SPECIAL NOTES:

1. Any dwelling unit being individually served by a Water, Gas, or Electric Meter will be considered continuously occupied.
2. For two or more Occupied Domestic Dwelling units served by one Water Meter, the monthly Wastewater charge will be calculated by multiplying the current Wastewater rate by the number of dwelling units.
3. Each developed separate lot shall have a separate service lateral to a sanitary main or manhole.

{End}
