

## SERVICE TO CITY EMPLOYEES

### UTILITY RATE SCHEDULE C-3

#### A. **APPLICABILITY:**

This schedule applies to residential premises (single-family dwelling, separately metered flat or apartment) within the City limits of Palo Alto which are served by the City and occupied by a City employee or a retired City employee.

#### B. **RATES:**

A discount of thirty-five (35) percent on any applicable City of Palo Alto Utilities Rate Schedule.

#### C. **SPECIAL CONDITIONS:**

1. To be eligible to receive a discount, a regular full-time employee must have started employment prior to April 1, 1977 and must have completed six months of continuous regular employment with the City. A retired employee must have had at least fifteen years of service with the City.
2. The issuance of the discount shall be subject to further reasonable rules and regulations as may be prescribed by the City Manager. The procedure for qualification and all interpretations as to the applicability of the provisions of this schedule or such rules and regulations shall be made by the City Manager, whose rulings shall be final.
