

Dear Mayor and Council Members:

On behalf of City Manager Ed Shikada, please find below the staff response to a question made by Councilmember Cormack regarding the [Monday, April 4 Council Meeting](#) consent agenda item:

Item 11, Adoption of a Resolution Authorizing the Submittal of a Financial Assistance Application to the United States Bureau of Reclamation for the WaterSMART: Title XVI Water Reclamation and Reuse Project

1. **How much money is being requested from this federal program?**

Answer: In its application, the City requested \$12,868,000, which represents the maximum allowable request of 25% of eligible project costs. The City's AWPS Local Project is eligible for a portion of the current United States Bureau of Reclamation/Title 16 funding opportunity of \$240 million for Title XVI projects authorized under section 4009(c) of the WIIN Act.

Thank you,
Joanna
