

# ZERO WASTE CHAMPION: HOW TO...

## Assemble Party Packs

### SUPPLIES:

Storage tubs • Durable plates, cups, silverware (recycled plastic) • Cloth napkins

### OVERVIEW:

- 1) Assemble enough plates, cups, silverware and napkins to serve one full classroom.
- 2) Store complete classroom set of materials in storage tub for teachers to access by request.
- 3) Ensure party pack is returned clean. Suggest that teachers use a classroom parent volunteer to clean and/or assist the students in cleaning.

### ADDITIONAL DETAILS:

- Party pack components can be purchased from the following retailers:
  - » [www.preserveproducts.com](http://www.preserveproducts.com)
  - » [www.re-play.com](http://www.re-play.com)
  - » [www.zak.com](http://www.zak.com)
- Adjust the party pack contents and request system based on your school's specific needs. Consider supplying packs for each classroom.
